

The background of the entire page is composed of large, overlapping, organic shapes in two colors: a vibrant teal and a soft pink. The shapes are fluid and abstract, creating a modern, artistic feel. The teal shapes are more angular and layered, while the pink shapes are more rounded and fill the spaces between the teal ones.

FAIRTRADE

A bit more about it..

Fairtrade is an organised social movement whose goal is to help producers in developing countries achieve better trading conditions and promote sustainability. Members of the movement advocate paying higher prices to growers and exporters, as well as aiming to establish higher social and environmental standards. The movement focuses in particular on exports from developing countries to developed countries, most notably coffee, cocoa, sugar, tea, bananas, and chocolate.

The movement seeks to promote greater equity in international trading partnerships through dialogue, transparency and respect. It promotes sustainable development by offering better trading conditions to, and securing the rights of, marginalised producers and workers in developing countries.
